## *Lessons for Online Missionaries dealing with Muslims*

### **Lesson 35: Resources for Online Missionaries**

Here are some resources that may be helpful to you as you learn to respond to Muslim seekers. These are NOT resources that you would give directly to internet contacts (see the previous lesson for that). These are books and articles that *you* as an Online Missionary to Muslim seekers may be interested to read.

*Muslims, Christians and Jesus*

A book by Carl Medearis.

*The Crescent Through the Eyes of the Cross*

A book by Nabeel Jabbour

*Muslims, Christians and Jesus: Stories of Faith*

An article by Carl Medearis. This is a brief, encouraging article with stories of Muslims seeking Christ.

The Naya Jeevan templates page contains numerous email templates that may be helpful to you as you compose your responses.

If, despite all these resources, you still feel you need to reassign your Muslim contact to a more experienced OM, you may do so through the reassign button, selecting the "Muslim" option.

In closing, we hope these lessons have been helpful in giving you more confidence as you take the initiative to share Christ in the power of the Holy Spirit with Muslims. We have every reason to expect results from God!
